

Regional Map

Watch from pullouts. If you see wildlife while driving, do not stop. Regardless of what others may do, keep moving to the next established pullout, park, and watch from a safe distance.

Keep your distance. You must stay at least 100 yards (91 m) from bears and wolves. A distance of 25 yards (23 m) is required from elk, bison, and other animals. Regardless of distance, if any wild animal changes its behavior due to your presence, you are too close.

Share the road. Pass no closer than three feet (1.0 m) to bicycles and roadside pedestrians, especially if your vehicle has large, detachable side mirrors.
